**Subject:** Board Meeting

We should get together soon. We need to discuss items covered in the annual meeting and do some training for our new board members.

Thursday evenings have traditionally been good nights for us to meet. If everyone will please respond to the group on availability for the suggested dates. For this first meeting it would be good to hold it when everyone can attend.

How do the following dates sound?

- March 28th at 6:30 PM
- April 4th at 6:30 PM
- April 18th a 6:30 PM

The past couple of meetings we have held at my office in Boise off Overland between Cole and Curtis. We can have the meeting there but if a board member has enough space for us we could hold it at someone's home. There will be 9 of us assuming everyone can make it.

Meetings typically last 1 to 1 1/2 hours.

Thanks everyone.

Jason Knorpp
